

Dear Tracy,

I just wanted to tell you what a fine job you, your associates, and your company, Work Opportunities, are doing in our community. Your sincerity and true concern in placing the people in your care means a lot to me. I am always willing to help in any way I can and it's so easy to work with you and the people in your company.

I will attempt to find openings in any of our Burger Kings whenever I can to help you place your people. It has been a genuine pleasure working with you and seeing first hand how caring you are and how truly happy it makes you when you find a job for the people in your care.

If there is anything I can do to help, you know all you have to do is call. Good luck and I hope to hear from you in the future.

Again, thanks for placing your people with my company.

Sincerely,
John F. Caito
