

REVOLVING MUSEUM

February 18, 2009

To Whom It May Concern:

I am pleased to write this letter of support for Work Opportunities Unlimited, Inc. I recently had the privilege of hosting a vocational evaluation for one of their clients and had a great experience.

The staff at Work Opportunities Unlimited, Inc. was very professional and wonderful to work with. From the beginning they made sure the placement of their client fit with our organization. The individual was a great match, as she had experience with museums and was attuned to our mission. Their client was well prepared and successfully utilized her skills to complete assignments. The visits and continuous correspondence with WOU staff made sure the evaluation went smoothly and that their client's goals were met.

The services provided by Work Opportunities Unlimited, Inc. are beneficial to both their clients and the community. The evaluation was a positive opportunity for their client to ease back into the workforce and reacquaint herself with standard skills and procedures. As a non-profit we heavily rely on volunteers and the vocational evaluation provided us with extra staffing to help in the office and gallery.

I highly recommend Work Opportunities Unlimited, Inc. as an exceptional organization for individuals reentering the workforce and as a partner for community organizations. Please feel free to contact me directly if I can be of further assistance.

Sincerely,

Elaina C. Bates
Gallery Manager
